### Find a roommate

We understand that attending conferences can be costly. To help reduce expenses, share a room with a fellow Dental Hygienists using these steps below:

1. During the registration process, you can select "find a roommate" as an option
2. A list is provided on a weekly basis for everyone who has selected this option
3. Attendees are then responsible for connecting with one another to see if they would like to room together
4. ADHA assumes no liability and is only sharing the names of other who are looking to connect
