

EVENT RESUME

Technology Student Association (TSA)

Location: Kentucky International Convention Center (KICC)
Dates: June 27 – July 2, 2023
Total Individual Attendance: 2000+

DESCRIPTION

Imagine an activity so captivating that your students spend hours working on it for weeks at a time. That is what can happen when TSA members engage in TSA competitions. Only TSA members have the opportunity to compete at exciting state conferences and then at the annual National TSA Conference. Expert judging by technology and engineering educators and industry representatives inspires the best from participants. Members are rewarded not only with medals or trophies, but also with memories of the camaraderie and the challenge of participating in a National TSA Conference.

TSA high school competitions and middle school competitions are categorized by careers in Architecture and Construction Technology, Communications Technology, Computer Science and Information Technology, Leadership, Manufacturing and Transportation Technology, STEM (General), STEM and the Arts, and Technology and Research.
